

# EXCELLENT Reasons Why People Don't Vote

- 1. I don't know the people on the ballot or the issues up for a vote, so I feel like I'm making an uninformed vote and that frightens me.
- 2. None of the choices are any good, so what the heck.
- 3. Voter apathy.
- 4. Few voting locations and I seem to always show up at the wrong one.
- 5. Long voting lines.
- 6. It's not fun!
- 7. Potential of COVID - 19 spread by being around other people.
- 8. I'm disgusted with all the political mudslinging and lies, so I'll just forget the whole dang thing.
- 9. My one little vote won't make any difference in the big scheme of things.
- 10. I pretty much already know the outcome of the vote and I don't like it, so why go vote.
- 11. It's not convenient and thus too much trouble!

We know you have reasons, but **in agriculture, we no longer have a choice . . .**

- The strong move to urbanization in Texas is likely to continue.
- Over 87% of the vote in Texas today is east of I-35.
- The fastest rate of voter registrations in Texas is along the I-35 corridor.
- Of the 150 members in the Texas House of Representatives, around 25 are from Harris County (Houston) alone!

# GO VOTE!!
